ALL-STATE SIGHT READING

(FOR ALL-STATE AUDITIONS)

Now you can get look-a-like examples of All-State Sight Reading. Some etudes are quite unusual - - most are typical. Every music room deserves a copy. Where can you find the 6/8 or 3/8 that is **perfectly and exactly** like the actual sight reading? **WE'VE GOT IT! 200 examples.** Why not practice every etude - - cover every angle - - be ready! Be persistent and study sight reading **before** the audition. The greatest collection of sight reading ever assembled to help students make All-State. A programmed text that dramatically improves the audition score: Middle School (Grade III), Concert (Grade IV) and Symphonic (Grade V). Each book contains **all three levels!** Band/orchestra books are individual; choral books can be studied together or separately.

If students can sight read, all rehearsal time is minimized! Fill out the order form now and enclose the check or purchase order to have your set sent to you ASAP. Any student who works hard to make All-State deserves this collection. ORDER NOW! Try one book for a start. **DO IT NOW!**

LET'S "MAKE ALL-STATE THIS YEAR!"
