Fundraising Ideas? Bring them to the Band Booster meetings!

Winter Park Band financial obligations should not be a deterrent to Band Program participation, and the various fundraising opportunities that are provided throughout the year are designed to alleviate that burden. If, in addition to participating in all fundraisers, you have an extreme hardship in meeting these financial obligations, a regular payment plan contract can be set up on a case-by-case basis. **Those needing additional information should contact either one of the Band Directors, or our Treasurer, Mary Beth Johnston.**

I understand the financial obligations listed above, and agree to make payments on time; I understand that a delinquent Band Account may prevent a student from rehearsing and/or performing, and payments are non-refundable; I understand that I am responsible for all fees for the school year, even if my child leaves the Band Program; and, I understand that the Door-2-Door fundraiser on Saturday, February 1, 2020 is a mandatory event.

Winter Park High School Bands Financial Obligations 2019/2020

Percussion Financial Obligation Descriptions

Band Fair Share (\$350)

The Band Fair Share pays for virtually everything we do. Some of our largest expenses are staff, band clinicians, instruments, and transportation of our equipment to performance sites. Other expenses include marching band drill writing, music purchases, show and sound equipment, competition and Music Performance Assessment (MPA) registrations, student awards, post-concert refreshments, and miscellaneous band supplies. **The Band Fair Share is representative of the entire year as whole, not just specific parts of the school year. The payments are spread across much of the year to help alleviate the financial burden.**

Jazz Fair Share (\$25/semester)

The Jazz Fair Share is only for those students who are a part of our Jazz Program. This fee helps to offset expenses for new music, uniforms, transportation, and clinicians. It is broken up into two payments – one for each semester.

School Instrument Maintenance (\$60/semester)

Each student who uses a school-owned instrument will pay \$60 per semester for the maintenance of that instrument. Instruments used only occasionally at the discretion of the band directors do not incur a maintenance charge. No student will pay more than \$120 per school year for instrument maintenance. **Unusual or extreme damage resulting in repairs or replacement will be the responsibility of the student.**

Marching Band Shoes/Uniform Purchases (cost varies depending on need)

The purchase of marching band shoes is only needed for new students, or when a student outgrows their shoes. Concert tuxedo jackets and pants, and concert dresses are owned by Winter Park High School and will be loaned out to students for use during the school year. Students are responsible for the purchase of a tuxedo shirt, black bow tie, and cummerbund (for gentlemen), pearls and earrings (for ladies), and black closed toe dress shoes (ladies and gentlemen). The bow tie, cummerbund, pearls, and earrings are all purchased through the Band program.

Fundraising Credit/Band Accounts

Fundraising credit is used like a “coupon” toward future Winter Park Band expenses. Fundraising credit CANNOT be used for any taxable item (i.e. extra show shirts) or fundraising purchases. It is the responsibility of the student and parent to monitor their Charms account and be aware of the fundraising credit available to them. Unused fundraising credit rolls over to the next school year. All monies raised through fundraising officially belong to the Winter Park Band Program and cannot be refunded for any reason.
