Fundraising Ideas? Bring them to the Band Booster meetings!

We do not want the Winter Park Band financial obligations to be a deterrent to Band Program participation, and the various fundraising opportunities that are provided throughout the year are designed to alleviate that burden. If, in addition to participating in the fundraisers, you have an extreme hardship in meeting these financial obligations, a regular payment plan contract can be set up on a case-by-case basis. **Those needing additional information should contact either one of the Band Directors, or our Treasurer, Mary Beth Johnston.**

I understand the financial obligations listed above, and agree to make payments on time. I also understand that a delinquent Band Account may prevent a student from rehearsing and/or performing, and payments are non-refundable.

Winter Park High School Bands Financial Obligations 2018/2019

Financial Obligation Descriptions

Band Fair Share (\$300)

The Band Fair Share pays for virtually everything we do. Some of our largest expenses are staff, band clinicians, instruments, and transportation of our equipment to performance sites. Other expenses include marching band drill writing, music purchases, show and sound equipment, competition and Music Performance Assessment (MPA) registrations, student awards, post-concert refreshments, and miscellaneous band supplies. **The Band Fair Share is representative of the entire year as whole, not just specific parts of the school year. The payments are spread across much of the year to help alleviate the financial burden.**

Jazz Fair Share (\$25/semester)

The Jazz Fair Share is only for those students who are a part of our Jazz Program. This fee helps to offset expenses for new music, uniforms, transportation, and clinicians. It is broken up into two payments – one for each semester.

School Instrument Maintenance (\$60/semester)

Each student who uses a school-owned instrument for a will pay \$60 per semester for the maintenance of that instrument. Instruments used only occasionally at the discretion of the band directors do not incur a maintenance charge. No student will pay more than \$120 per school year for instrument maintenance. **Unusual or extreme damage resulting in repairs or replacement will be the responsibility of the student.**

Marching Band Shoes/Uniform Purchases (cost varies depending on need)

The purchase of marching band shoes is only needed for new students, or when a student outgrows their shoes. Effective in the 2014-2015 school year, the concert tuxedos and dresses will be provided by the Band Program to all new students. Older students will wear their pre-owned tuxedos and dresses until they need a fitting change. Students will still be responsible for the purchase of a tuxedo shirt, black bow tie, and cummerbund (men), pearls (women), and black closed toe dress shoes (men and women). The bow tie, cummerbund, and pearls are all purchased through www.MyBandstuff.com.

Fundraising Credit/Band Accounts

Fundraising credit is used like a “coupon” toward future Winter Park Band expenses. Fundraising credit CANNOT be used for Band meals or fundraising purchases. It is the responsibility of the student and parent to monitor their Charms account and be aware of fundraising credit available to them. Unused fundraising credit rolls over to the next school year. All monies raised through fundraising belong to the Winter Park Band Program and cannot be refunded for any reason. In addition, fundraising credit cannot be transferred from one account to another, with the exception of sibling accounts.
