Every effort is being made to bring the ultimate cost of this tour down, and we are confident that this will happen. We have a terrific group of parents who have been working since the end of last school year to bring in large-scale donations from local philanthropic individuals and corporations.

That being said, if there is an economic situation, especially with someone in the Wind Ensemble, please share this with Mr. Blackmer right away so that he can figure out options. **We will make it work!**

Sign-Up

Because this tour involves a Wind Ensemble performance, sign-up priority will be given to those students (and their potential parent chaperones). Following that, there will be approximately limited space available for non-Wind Ensemble performers or chaperones, all on a first-received/first-take basis.

The initial non-refundable deposit of \$100 will be due by **August 26**, along with the tour agreement contract signed by the student and a parent/guardian.
