

CONCERT & MARCHING UNIFORM ORDERING INSTRUCTIONS

www.MyBandStuff.com

The website for ordering marching band uniform accessories and concert band uniform accessories is the same, however, the login information is different. Be sure that you logged-in to the correct side of the website, depending on what it is that you're ordering.

Also, you are welcome to acquire the concert band uniform accessories on your own, however, by ordering through www.MyBandStuff.com, you will save tax and shipping charges.

If you have any issues with the MyBandStuff website, try a different web browser. The site is very convenient, however, it can be a bit "buggy" at times. Also, please note that all payments are made directly through this website – not SchoolPay.
