**Optional Additional Travel Protection**, which adds Trip Cancellation and Cancel For Any Reason to the above product, is available for purchase and follows Educational Tours, Inc.'s cancellation policy. Please see the Student Deluxe brochure provided to each traveler for information to obtain this product.

*The student Protection Plan brochure contains highlights of the post departure plan purchased on your behalf. The Student Deluxe brochure contains highlights of the Optional plan. The plans contain insurance benefits underwritten by the United States Fire Insurance Company. The plans also contain non-insurance Travel Assistance Services that are provided by an independent organization. Coverages may vary and not all coverage is available in all jurisdictions.*

**The additional (optional) CFAR travel protection cost is ultimately based on the final cost of the tour. The deadline for signing-up for CFAR protection is due by March 10, 2019, and I would recommend waiting until that time to purchase this package as the cost of the tour will likely come down between now and then.**

**A specific questions about any of the travel protection packages should be addressed to Travel Insured International at (844) 440-8113. They are in a partnership with Educational Tours, but will not have details about itinerary questions.**
